

## Appendix 3 (A3) for Swimming Committee Meeting 15<sup>th</sup> Jan 2019

### Officials report for 15th January 2019

Apologies for not attending this meeting as it's first night of my evening class.

The first distance event ran well after some initial problems were dealt with. Penzance staff need to get the cabling plugged in correctly as we seem to have the same problem over and over.

I have circulated county events. I will be sending out reminders this week to those who haven't yet replied.

This year the roles of Promoter has been filled for all County events and we have got a new additional announcer as last year these roles were becoming harder and harder to fill.
