Re. agenda item 8 for this AGM – Consideration of Rule Changes - At Swimming Committee in September 2015 this rule re. County Records was discussed "Records achieved outside our competition are subject to ratification by the swimming committee" and it was agreed that this should be **added** as clarification "The swimmer must have been swimming for a Cornwall club" this was not done but has been applied. It was agreed at Management Board on April 23<sup>rd</sup> to notify the AGM that this will be rectified.

Anne Jolly, Nick Jenkin and Celia Webster will be working to further to review and simplify the rules for our swimming events and to ensure that they are consistent across the board.
