Extracts from the rules

5. If a trophy is not returned at the required time, the club of the swimmer who holds it must follow this up with the swimmer concerned. A fine of £10 will be imposed on the swimmer and if the swimmer fails to pay the club will become liable. However if a swimmer leaves/ transfers from a club , that club should identify whether they currently hold any trophies and ensure they record the contact details of the swimmer and notify the CCASA trophy controller

6. A swimmer who completely fails to return a trophy will pay a fine of £100. If the swimmer fails to pay, the club will become liable and the ASA will be notified, and in accordance with ASA rules [Currently (2012) ASA Law 6.9] the swimmer will not be allowed to remain or become a member of any swimming club until this fine is paid.

Additionally: Trophies returned 'not cleaned' result in a club fine of £10 per trophy.
